

The Tiger Tourer – Paradise Motor Homes Inspiration Deluxe

Dear Col, Ben and staff,

Chris and I have now spent a month travelling Queensland, visiting our family and thoroughly enjoying everything our wonderful motor home has to offer.

We can't thank you enough for the friendly, supportive and "nothing is too much trouble" attitude of your staff from the day of our first tentative visit, through the excitement of sign-up day to pick up on 18 December 2009. Every phone and email with questions, requests for changes or additions along the way was met with enthusiasm and assistance. Our graphic design ideas were readily taken on board and now we have a statement of our passionate support for our beloved Wests Tigers NRL team wherever we travel.

The motor home draws attention from fellow travellers on the road, in free park areas and camping areas we have stayed at. We sing the praises of Paradise as we travel because we truly believe, after years of research before deciding on the Inspiration, that we made a superb choice.

Comfortable seats that swivel to chat when we are off road, water pressure that sees the shower even better than the one at home, an extremely comfortable queen size bed and all the other comforts of home with a delightfully fresh view as we move from spot to spot.

We are looking forward to our Tassie trip for the CMCA Rally and meeting up with other new Paradise Motor Home owners over there very soon.

Thank you to all your staff for making the transition from house to home on wheels so effortless! Please also thank Steve from Graphitex for his great ideas on the graphic design and creating the unique look we love so much.

Best wishes from Keren and Chris Bell.
