24 / 06 / 2010

To Colin, Family and Staff

Our many thanks and sincere appreciation for our wonderful 25 ft **Free Time** Paradise Motor Home

We continually look forward to every trip we make on almost every weekend together with our longer annual holiday trips.

Your innovative designs, attention to detail and professional construction place you way ahead of the other Motor Home manufactures however it is your outstanding customer service that really sets you apart.

From the day we first saw you at the Brisbane Camping & Motor Home Show in 2008 through the selection and ordering of our Motor Home, the construction phase and finally to the day we collected our Motor Home, nothing was too much trouble.

Your advice, direction and help was and still is extremely helpful to Jo & I as RV novices.

As with any product there are always issues and items that have to be fixed and made good and again nothing is too much trouble and any warranty items are made good without question by yourselves and your great warranty team.

We look forward with great anticipation to the day we retire and drive off into the sunset in our outstanding Paradise Motor Home.

Kind & Sincere Regards
