

Paradise Motor Homes

Integrity Range

Australia's Prestige Motorhome Manufacturer

Paradise's exciting new low cost Integrity Range features our renowned superior construction and unsurpassed quality & materials. This gives the Integrity range the same legendary durability & unrivalled safety as our award-winning Inspiration, Liberation & Independence models. By combining Paradise's superior construction & build quality with the same low cost appliances, basic warranty, cheaper base vehicles & external finishes that are used by the other manufacturers we have been able to produce vastly superior, low cost motorhomes.

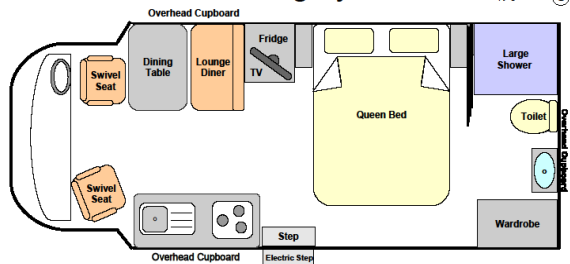

Do the comparison - you won't believe the quality or the price!

Safety Features - (Only a Paradise motorhome will provide you with the following safety features in the event of an accident)						
Rollover Protection - Paradise Rollover Hoop & Unique Internal & External Frame (most motorhomes have no rollover protection)						
PMH Body Panels are complete structural composite panels & do not present the fire danger of polystyrene						
Patented Auto Locking Drawers - prevent accident injuries from flying objects (drawers must stay closed even when 20x the drawer's weight is applied)						
PMH Cabinet Doors are retained with Full Length S/S Piano Hinge screwed along the entire length (not two small hinges at each end)						
PMH Swivel TV Bracket - safely allows the TV to stay in position when driving (no stowing TV away or trying to strap it down)						
PMH Gas Safety Hoses - stop the flow of gas if the gas line is ruptured						
Cupboards etc are bonded & screwed to the internal body to prevent them dislodging in an accident
